

LEONARDO DA VINCI PACKAGE

Presented by La Cure Chambres d'Hôtes

While visiting the beautiful Loir-et-Cher, La Cure takes pleasure in doing everything possible to make the most of your stay. Take advantage of our special offer and allow us to accompany you to the Château de Clos Lucé, where Leonardo da Vinci spent the final three years of his life. The beauty and tranquility of this Renaissance home illustrates why da Vinci took such pleasure in painting and working throughout its enchanting grounds. Allow a Clos Lucé costumed guide to present da Vinci's park and antique home. This exclusive tour gives you the chance to discover facts about da Vinci and his life that regular château visitors never have the opportunity to learn.

Once you have discovered the magnificent Château de Clos Lucé, we would like to escort you through the lovely town of Amboise. As we accompany you throughout this traditional French town, we will guide you through its most charming, intimate shops and enrich your experience by answering any questions you may have.

After a fun-filled day of learning and exploring, come with us to L'Écu, a traditional French crêperie. Luigi, crêpier of L'Écu, takes you behind the scenes and into the kitchen, demonstrating how to make traditional French galettes and crêpes. Once you have learned all you need to know, choose from a wide variety of ingredients and return to the kitchen to make your very own.
